- Using MSI Live Update 6.2.0.07, downloaded yesterday to give it a try. - Updated my BIOS (mb = z170A gaming M5) from v1.1 to v1.A0 (big update). That went well but I was surprised to see that live update only proposed an update up to 1.A. given that I see a few other BIOS updates on MSI website for the z170A gaming M5.
