The Pleasures Of The Imagination

The Pleasures of the Imagination is a long didactic poem by Mark Akenside, first published in 1744. The first book defines the powers of imagination and discusses the various kinds of pleasure to be derived from the perception of beauty; the second distinguishes works of imagination from philosophy; the third describes the pleasure to be found in the study of man, the sources of ridicule, the operations of the mind, in producing works of imagination, and the influence of imagination on morals.

The Pleasures of the Imagination - Wikipedia

Brewer's The Pleasures of the Imagination serves as a stern, contemporary refutation of many mushy headed ideas about the development of Art in Modern society. Brewer's method is to survey 18th century developments in the Arts, in England and tie them to pre-existing and developing institutions in order to demonstrate what came before the explosion in Artistic activity during the 18th century.

Joseph Addison on the Pleasures of Imagination Contents

"Pleasures of the Imagination" by Joseph Addison Shows of the same Things, that whatever is new or uncommon contributes a little to vary human Life, and to divert our Minds, for a while, with the Strangeness of its Appearance: It serves us for a kind of Refreshment, and takes off from that Satiety we are apt to complain of in our usual and ordinary Entertainments.

"Pleasures of the Imagination" by Joseph Addison

The pleasures of the imagination, taken in their full extent, are not so gross as those of sense, nor so refined as those of the understanding. The last are, indeed, more preferable, because they are founded on some new knowledge or improvement in the mind of man; yet it must be confessed, that those of the imagination are as great and as transporting as the other.

'Pleasures Of Imagination' by Joseph Addison.

Addison's definition of the pleasures of the imagination as "only such Pleasures as arise originally from Sight" (388), is deeply Lockean in its opinion that imagination is ruled and bounded by the external images perceived through the five senses.
